	FRIDAY 3/11/2017	SATURDAY 4/11/2017	SUNDAY 5/11/2017	MONDAY 6/11/2017	TUESDAY 7/11/2017	WEDNESDAY 8/11/2017	THURSDAY 9/11/2017
	MOTORWAY CONSTRUCTION PROJECTS	ROADS:ENVIRONMENT AND GEOTECHNICS	CULTURAL VISIT	BRIDGES	TUNNELS	MOTORWAY MANAGEMENT,OPERATIONS, AND SAFETY	TECHNICAL VISIT
9:00 – 9:50	**Welcome Ceremony** **Welcome Addresses**	**Road earthworks and environment** *Rosa Arce Ruiz* Professor University of Madrid Spain	Visit to White Tower of Thessaloniki	**Construction methods for bridges** *Ch. Polyzos* Civil Engineer "Egnatia Odos S.A."	**NATM tunnelling method for motorways** *S. Lekkas* Senior Geologist IRD Engineering Italy	**European transport policy** *K. Diamandouros* Head of Secretariat Office European Road Federation Belgium	Traffic Control Center
9:50 – 10:40	**Opening Speech** ***Adewole Adesiyun*** Deputy Secretary General Forum of European National Highway Research Laboratories Belgium	**Road cuttings and cut slopes** *E. Sakoumpenta* Civil Engineer M.Sc. "Egnatia Odos S.A.		**Economic aspects of bridge engineering** *K. Petroutsatou* Ph.D. Assistant Professor Aristotle University of Thessaloniki	**Motorway tunnels with non-reinforced concrete lining** *K. Koukaliaroglou* Civil Engineer Geotechnical Engineer Parsons Corporation USA	**ITS for traffic management on motorways** *Cristina Pronello* Professor Sorbonne Universites - UTC France	
10:40 - 11:00	**Coffee Break**	**Coffee Break**		**Coffee Break**	**Coffee Break**	**Coffee Break**	
11:00 - 11:50	**Keynote Speech** **Harmony in bridge design** *E. Siviero* Professor Ing. Arch. HC Rector University eCampus Novedrate, Como Italy	**Geotechnical engineering – the art of burying success** *J. S. Steenfelt* Professor Technical Director COWI Denmark	Boat tour on Thermaikos Gulf	**Construction project of the 3rd Bosphorus Bridge** *T. Delemont* T-engineering intl Consulting Engineers Switzerland	**Rational tunnelling in squeezing rock** *D. Kolymbas* Professor Dr. Division of Geotechnical and Tunnel Engineering University of Innsbruck Austria	**Operations on a peri-urban Motorway** *Bill Halkias* Transportation Engineer Managing Director & CEO Attikes Diadromes S.A.	Visit to Vergina Archaeological Site
11:50 - 12:40	**Ionia Odos Motorway: Klokova Tunnel** *S. Pentheroudakis* CEO Nea Odos S.A. – Odos Kentrikis Elladas S.A.	**Metro engineering projects in Athens and Thessaloniki** *I. Mylopoulos* Professor Aristotle University of Thessaloniki Chairman of Attiko Metro S.A.		**Suspended bridges: The Rio Bridge** *P. Papanikolas* Country Manager Vinci Concessions S.A. France	**Tunnelling in limestone formations** *M. Stathopoulos* M.Sc. Geologist	**Motorway pavements and asphalt courses** *A. Nikolaides* Ph.D. Professor Aristotle University of Thessaloniki	
12:40 – 13:00	**Coffee Break**	**Coffee Break**		**Coffee Break**	**Coffee Break**	**Coffee Break**	
13:00-13:50	**A strategy proposal for road infrastructure development in recession times** *S. Lambropoulos* Professor Emeritus National Technical University of Athens	**Design and construction of reinforced embankments** *A. Ritsos* Civil Engineer Geotechnical Engineer "Edafomichaniki S.A."		**The Citadelle Bridge in Strasbourg: a balancing exercise** *A. Giannopoulos* Bridge Design Engineer Egis JMI France	**Experiences from TBM-EPB excavations for the Rome metro lines** *R. Ginanneschi, Geol.* SELI Technologies *A. Sciotti, Eng.* Roma Metropolitane, Italy	**Safe System Approach** *F. Kehagia* Ph.D. Associate Professor Aristotle University of Thessaloniki	
13:50 – 14:40	**Development of the Trans- European Motorway Network** *A. Maravas* Ph.D. Civil Engineer "Egnatia Odos S.A."	**Discussion**		**Shifting intelligence from vehicle to infrastructure: the SAFE STRIP approach** *E. Bekiaris* HIT Director at Centre for Research & Technology Hellas (CERTH)	**Discussion**	**Discussion**	
14:40 - 15:30	**Lunch Break**	**Lunch Break**		**Lunch Break**	**Lunch Break**	**Lunch Break**
